

# Improve & Prove Your Tech Skills

Take free self-paced, online courses in a variety of everyday computer skills, then earn certificates that prove your digital literacy skills to potential employers.

## Learn how to:

- Search and apply for jobs
- Use and manage email
- Improve typing skills
- Access telehealth
- Use productivity software like Word, Excel, or PowerPoint

## NorthStar Curriculum

- Free, online curriculum
- Learn at your own pace
- Focus on your goals
- Get help from a tutor if needed
- Take a proctored exam after your course to earn a certificate
